

Health Wealth

is a sister company of Home2Home Therapy, a mobile allied health service provider established since 2021.

Health Wealth aims to provide clinic-based and evidence-based physiotherapy services to increase individual's quality of life and health through holistic treatment programs.

Health Wealth combines traditional physiotherapy approach with targeted exercise rehabilitation to address the underlying issues.

Our Fees

We offer subsidised (Medicare rebates) and fee-for-service health care with private health insurance rebates available.

We also support My Aged Care and National Disability Insurance Scheme (NDIS) clients.
